The Golf Instructors:

Matt Mugavero, PGA

The teaching programs are lead by Matt Mugavero, the PGA Head Golf Professional at the Picatinny Golf Course. Matt holds a Class "A" Certification with the PGA of America and brings over 20 years of top-notch instruction to every student. He has honed his skills at public courses, semi-private facilities and exclusive clubs all across the east coast. Matt is certified by the U.S. Kids Golf Foundation as a Junior Golf Coach. He also holds credentials from the PGA of America in the Link Up 2 Golf programming for adults. Matt is the Head Coach for the Golf Team at the County College of Morris where his team, as well as individuals, have qualified for the D-III National Championships. In 2007, Matt was nominated the GSAC Region 19 Coach of the Year. The US ARMY has elected Matt as one of few "SME" (subject matter experts) Program Managers for his outstanding business skills and pursuit of excellence. Other awards include; The James A Carroll Award For Excellence, The Acushnet Apprentice Award for New Jersey. Matt holds a degree from the University of Massachusetts in the Science of Sport Management.

Greg Scalley

An Assistant at the Picatinny Golf Club, Greg is a registered PGA of America Apprentice with over 5 years experience in the golf industry. Greg played collegiate golf at the County College of Morris and was ranked as the #1 player during his competitive career. He was elected First Team All-Conference each year that he played. In 2011, Greg qualified for the New Jersey State Open and the New Jersey Public Links Championship.

Juniors & Family

The mission of our Junior Golf Program is to increase knowledge in the areas of parental involvement, playing etiquette and swing fundamentals. The importance of quality family time is stressed during each session. Juniors have the option to enroll in the US Kids Golf (3) Levels of Certification which is a season long developmental program that quantifies playing progress. The student is provided a booklet (and a matching hat) at the beginning of each level which acts as a guide for the curriculum. Each level is progressively more advanced. Students will have the opportunity to "Test" through to the next level. At the conclusion of level 3, the typical student will be accomplished enough to get around most courses with confidence.

Adult Clinics

The sessions will be formatted around the fundamentals of the golf swing with an emphasis on goal setting. The student will learn "cause and affect" theory as well as some practice drills that can be worked on in a variety of circumstances. The subject matter never repeats from one month to the next. However, the material is progressed and diversified to match the students abilities. The long term goal of these intro-to-golf-clinics are to break the barriers and fears that beginners have with the sport of golf. The atmosphere is fun and relaxed.

The classes are open to beginners.

Cost for each date / session is \$15.

Advanced Learning

1/2 Day Golf School

This school is for people who already play golf, have an understanding of the fundamentals and are looking to reduce scores. This school includes 2.5 hours of instruction that is split between the short game and full swing. After the instruction, students get lunch at the Sam Adams Pub, with 18 holes of golf to follow. These schools are scheduled around your timetable. Contact Matt Mugavero to check availability and book your session.

Cost is \$95 Members / \$125 - Others

(minimum of 2 students required)

Video Analysis

This is the opportunity to see your swing digitally "before and after" a trained professional works with it. Your swing will be recorded using V1 Golf Swing Software for the I-Pad over the course of 3 sessions. There will be an initial recording with some classroom analysis. Session 2 will focus on drills and progression. The final recorded session will reinforce the progress that has been made. Screen shots and notes will be sent via email to each student for a permanent record.

Cost is \$195

Playing Lesson

Get out on the course and play with a Golf Professional as you learn placement strategy and scoring fundamentals. You will be challenged with different circumstances and learn situation awareness. In a short time, you will learn some of the most important techniques to lower scores.

Cost is \$150

(includes 3 hours of playing lessons)
